

QM QUARK MATTER KRAKÓW 2022

29TH INTERNATIONAL CONFERENCE
ON ULTRA – RELATIVISTIC
NUCLEUS - NUCLEUS COLLISIONS
APRIL 4-10, 2022 KRAKÓW, POLAND

BULLETIN NO. 1

We are pleased to announce that the *XXIXth International Conference on Ultra-relativistic Nucleus-Nucleus Collisions* will be held on April 4-10, 2022 in Kraków, Poland.

We are currently working on the preparation of the conference in the traditional version (as recommended by IAC), with the personal participation at the conference site. In the event of a worsening epidemiological situation, we may have to switch to the on-line version. Please follow the information on our website, where we will keep you updated on the situation in Poland related to the COVID-19 epidemic. Detailed conditions which have to be fulfilled for people entering Poland are specified at: <https://www.gov.pl/web/coronavirus/temporary-limitations> In any case, all the participants should take care by themselves of the appropriate health insurance during their stay in Poland.

ABSTRACT SUBMISSION

The indico webpage registration via <https://indico.cern.ch/event/895086/> is used mainly for the submission of abstracts of parallel talks and posters. It will be also used to display the conference Timetable.

During the abstract submission you will be asked to choose one of the conference scientific topics as a track, and choose between an oral presentation and a poster.
